

INVITATION TO QUOTE

Opportunity ID: ITQ25-02

Opportunity Title: Sidewalk Replacement on Douglas Ave.

Official Contact: Doug Lowther, dlowther@fortstjames.ca

Requirements and Specifications

The District of Fort St. James invites qualified contractors to submit quotes for the removal and replacement of approximately 800 feet of sidewalk, curb, and gutter on Douglas Ave, from Douglas Street Bridge to School Road. All proponents are advised to complete a site visit to collect relevant information prior to submitting a quote.

Specifications:

- Existing sidewalk has a length of approximately 800 feet and are 5 feet wide with 6-inch curbs and standard gutters.
- Removal and replacement of approximately 800 feet of existing sidewalk, curb, and gutter.
- Repair and prepare the base as required.
- All hauling and disposal of excess material, old sidewalk, cement curb, or gutter materials, or debris.

Requirements:

- Work must be completed between June 1, 2025, and September 30, 2025.
- Weekday work must occur between the hours of 7:00am and 7:00pm.
- Weekend work must occur between the hours of 9:00am and 5:00pm.
- Proponents must provide proof of liability insurance and WCB/WorkSafe coverage with their quote.
- District representatives will inspect and must complete a walk-through and sign off on all work prior to contractor receiving payment.
- Quotes must cover the complete scope of work.
- Quotes to include all costs related to mobilization, de-mobilization, living out allowance, trucking/hauling or transporting of equipment, materials, or supplies, and any other incidental expenses.

Other Necessary Information:

- District representatives for this project are the Capital Assets and Projects Coordinator or Director of Operations.
- Water is available for any contractor's water trucks.
