**Policy:** The District of Fort St. James is committed to encouraging citizens to make healthy food and beverage choices in municipal facilities.

**Objective:** To establish guiding principles for the provision of healthy food and beverage choices in municipal facilities.

**Definition** “Healthy Foods and Beverages” or “Healthy Choices” refer to foods and beverages that meet the “choose sometimes” or “choose most” categories in the Nutritional Guidelines for Vending machines in BC Public Buildings.

**Procedures:**

In District of Fort St. James facilities where food is dispensed or served:

1. Signs promoting healthy choices will be posted.
2. A minimum of 50% healthy choices will be made available
3. Contracted vending services and user groups providing concession sales will be encouraged to increase the healthier choices offered; stipulations requiring them to adhere to this policy will be added to all future contracts.
4. The District will monitor current product nutrition information through available resources and respond accordingly.
